This website offers products and services for monitoring of companies in the Ellisphere database. This website comprises a part accessible to all visitors and a part accessible only to Ellisphere subscribers. Each subscriber has a user name and password to order Ellisphere products and services.

By accessing and navigating on this website, you agree to the following terms:

## Conditions of use

**1. All elements of this website (particularly texts, graphics, logos, photographs and animations), together with their formatting, are the exclusive property of Ellisphere, apart from certain elements provided by a Partner.**

The elements contained in this website may be used, reproduced and represented only for strictly personal purposes. All sale, resale, retransmission or provision to third parties in any way is prohibited. Failure to comply with this clause constitutes an infringement for which the infringing party may be held civilly and criminally liable.

**2. In accordance with law no. 78-17 of the 6th of January 1978 (French Data Protection Act), we inform you that:**

- Any personal information collected may be used for sending e-mail messages to inform you about our products and services.
- No other use will be made of such information, which may in no way be disclosed to third parties by Ellisphere.
- You have a right to access and correct your personal information; you may exercise this right by sending an e-mail to [relation-client@ellisphere.com](mailto:relation-client@ellisphere.com).

**3. We undertake to make every effort to provide and maintain access to all the services available on this website.**

We are bound only by obligations of due care; we may not therefore be held liable in cases such as:

- Momentary interruption for a few minutes for the updating of certain files.
- Momentary difficulty in functioning or interruption of these services for reasons beyond our control, particularly in the event of power cuts or interruptions in telecommunication services.
- Momentary interruption in services necessary for their upgrading or maintenance.
- Failure or malfunctioning of the Internet in the transmission of messages or documents.
